Prayer Requests:
1. Full support by Thanksgiving
2. Preparations for moving - passports, visas, housing in Japan, packing etc.

The Edwards will be starting their Military ministry at Yokosuka Baptist Church, 30 miles southwest of Tokyo, Japan.

Yokosuka Naval base is the Western Pacific region's largest US Navy Logistics Command. The personnel population is 25,000 so they will be kept busy assisting the ministry.

They will be arriving in Japan in January of 2018. They will make a quick trip to Japan in early December to secure housing and Lord willing, move their family in January.

The Edwards family appreciates your continued support and prayers.

GBC strives to glorify God by loving Him and those He created through making disciples.
